

TIME FOR INVENTORY

Text: Romans 14:12

Introduction:

Tonight, we are going to take a “spiritual inventory”. You have a sheet with twelve general questions. Please score your sheet. I will ask a few related questions under each one of these primary questions and sometimes make a few relevant comments .
Wait until I am done with the questions or comments, then write in your score. **This is for your eyes only and is strictly for your own personal evaluation.** Grade yourself honestly on each of the 12 questions. **Give yourself a score of 0 to 10 points on each questions.** 0 of course being the worst and 10 being the very best. There is a possible score of 120.
